Question	**Answer**	**Question**
?	!	?
Hello Mr. Kotler, how are you?	I wanted to tell you something	It's really important so I want you to listen very carefully

Answer	**Question**	**Answer**
!	?	!
And it's top secret so you can't tell it to anyone	I'm not joking it means a lot to me	So in order to tell you this

Question	**Answer**	**Question**
?	!	?
I created this PDF convertor	It creates PDF from cards	Just like the one we need for House of Cards but who really cares?

Answer	**Question**	**Answer**
!	?	!
And I think it works very well and it's really cool	BTW if you don't think so you can bite me	So now that it's ready I can finally tell you what I need properly

Question

?

This is the way. Couldn't do it in any other way

Answer

!

Are you ready for it?

Question

?

I'm sure you want to hear it already

Answer

!

So here it comes
